## MARCH 2020 AESTHETIC SOCIAL CALENDAR

Hey guy's,

It's that time of month again where you should be filling in and scheduling your content ready for March 2020, which is a big month for women all over!

Data Puzzle is a boutique marketing business designed to help aesthetic practitioners save money by managing their online business.

I have pulled together a march monthly overview of the latest aesthetic events, social media dates to include in your content strategy, and the latest hashtags I am using to help my clients grow their reach on social media.
